## Why We Rhyme

“Experts in literacy and child development have discovered that if children know eight nursery rhymes by heart by the time they’re four years old, they’re usually among the best readers by the time they’re eight.”

- Mem Fox, author of Reading Magic

Carefully cut out the picture along the dotted lines and stick it onto a wooden craft or lollipop stick to make a fun little puppet!

Remember, the finished puppet is for adult use only, so please do not give to babies or small children.
